Technical Skills: Soldering

PROJECTS

Wrist Worn Multi-purpose Health Monitor

- This was a project in my Freshman Year with the intention of creating a device that could measure the main 4 vital life signs. Due to time and budget limitations, we were only able to build a heartbeat monitor using repurposed parts and a mini-Arduino board.
- First experience attempting to code from scratch using C++ (no prior experience in C++)
- First experience beyond practice with soldering, and handling wiring

EXPERIENCE

American Eagle Outfitters | Braintree, MA

Sales Associate

June 2022-September 2023

- Collaborated with up to 10 team members in managing the sales floor.
- Communicated with customers about merchandise, sales events, and to offer assistance.
- Operate the cash register quickly and efficiently ringing up customers, while offering them our in-store credit card.

Crossroads for Kids | Duxbury, MA

Junior Counselor

- Managed up to 30 campers aged 10-13 leading them in activities and addressing behavioral issues.
- Selected to accompany campers off-site in emergency situations.
- Ensured timely transitions between activities by adhering to a structured daily schedule.

Insomnia Cookies | Boston, MA

Bicycle Delivery Driver

April 2024 – June 2024

- Gained experience with working extremely late-night shifts between 11pm-2am
- Efficiently delivered orders and returning to the store in a timely fashion to take the next one.

LEADERSHIP

Crossroads for Kids C5 Leadership program

August 2019-May 2023

- C5 is a 5-year leadership program involving challenging outdoor activities, leadership opportunities, and community service hours. A defining moment of C5 is the weeklong trek in the Rocky Mountains.
