Technology
B.S. in Computer Engineering

EXPERIENCE

Sales Associate

American Eagle Outfitters, Braintree, MA

June 2022 – September 2023

My job and responsibilities as a sales associate at American Eagle was to walk the floor and greet guests, help with looking for a product, and keeping all product on the floor neat, presentable and stocked, all while promoting on going sales. I was also regularly responsible for a register and handling customer transactions, while promoting the store credit card. Through these responsibilities I learned and developed many skills such as, listening, problem-solving, multi-tasking, teamwork, and communication.
